Avmor's Av-mixx Dilution Control System

▣ **Results:**

The comfort level of Dakota Dunes Casino employees and patrons have increased since the switch to these safer products

The Dakota Dunes Casino is located on the historical Whitecap First Nation, 20 minutes south of Saskatoon, in Saskatchewan. Located on a hilltop at the height of the South Saskatchewan River Valley Basin, the Dakota Dunes Casino offers a magnificent view alongside its top-notch entertainment. The beautiful Vegas-style casino is sure to wow visitors from all over the world. With the casino under the Saskatchewan Indian Gaming Authority (SIGA), the winner of the Saskatchewan Business of the Year 2007 Award, the Dakota Dunes Casino has high standards to live up to. Housed in an impressive new building which spans over 80,000 sq.ft., including a large gaming floor, multi-purpose room and restaurant, the Dakota Dunes Casino made the decision to switch to environmentally preferable products in order to safeguard the health and well-being of their staff and their guests.

The First Nations People are known for their hospitality, strong community spirit, and lasting relationships. The casino chose Avmor's EcoPure because of the exceptional customer service offered by this company. The Dakota Dunes Casino realized that, by working with Avmor, it would be establishing and building a lasting relationship with their cleaning solution provider. The casino was especially pleased with the service, training and presentation provided by Avmor's sales representatives. The Dakota Dunes Casino understands that having a clean facility is an important aspect of its business and in establishing customer loyalty. The first impression is always a lasting impression.

The Casino notes that Avmor's products were easy to use, perform exceptionally well, and are cost effective. Richard Nesland, Facility Manager, was particularly impressed with Avmor's EcoPure EP61: "There is a lot of glass in the casino and EP61 dries to a streak free shine."

The casino uses EcoPure in conjunction with a dilution control system, which prevents direct contact and provides accurate dilutions. As a result, wasted product is significantly reduced and the casino can rest assured that the cleaning solutions are performing at their optimal level. By embracing a sustainable cleaning program, Dakota Dunes has demonstrated excellence in its business practices. Whether you enjoy the excitement of a traditional card game, the thrill of the slots, or a night out of stellar entertainment, the Dakota Dunes Casino has what you are looking for...all in a green environment!

An Avmor Success Story

Dakota Dunes Casino goes GREEN with Avmor's EcoPure
