This will acknowledge your submissions dated 08/02/12, concerning the aforementioned non-food chemical products for which you have requested acceptance for use in food processing facilities.

The final printed labels have been reviewed and the contents of the label appear satisfactory for use in food facilities.

Therefore, no objection will be taken to the use of the above non-food chemicals in food facilities, provided that they are used in keeping with the instructions outlined on the labels.

Nous accusons réception de vos soumissions datées du 08/02/12, concernant les produits cités en rubrique pour lesquels vous demandez une acceptation pour utilisation dans les établissements de transformation alimentaire.

Les étiquettes finales ont été revues et leur contenu nous apparaît acceptable pour utilisation dans les établissements alimentaires.

Ainsi, nous ne nous opposerons pas à ce que les établissements alimentaires utilisent les produits chimiques non alimentaires ci-haut mentionnés, à condition qu'ils soient utilisés conformément au mode d'emploi indiqué sur les étiquettes.

This acceptance of these non-food chemicals will depend upon its continued acceptability to all concerned.

Should any changes occur in the chemical formulation, or in the labelling format, of the aforementioned non-food chemicals, then this acceptance will be considered **NULL and VOID**.

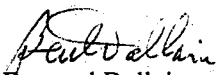

Yours truly,

L'acceptabilité des produits chimiques non alimentaires sera conditionnelle à la satisfaction de toutes les parties intéressées.

Cette acceptation sera considérée comme **NULLE et SANS EFFET** si l'on procède à une modification quelconque dans la formulation chimique, ou sur l'étiquette des produits chimiques non alimentaires ci-haut mentionnés.

Je vous prie d'agréer l'expression de nos sentiments les meilleurs.
